Ok, will do. If you do want copies, I may need an extension on the time to respond to the FOIA request. But we'll cross that bridge when we come to it.

I will be in today, out tomorrow, and in all next week except Thursday. I will look forward to hearing from you.

Sarah

Subject RE: Diamond Alkali Site/LPRSA - GE FOIA

Good morning, Ms. Flanagan,

Please hold off on copying the data extraction forms. LECG is sending the CDs to me today. As soon as I have had a chance to review them, I will confirm that we will not need copies from EPA. Thank you.

Ms. Sullivan:

Today EPA will be searching its files and copying the Data Extraction Forms for the 40 of the potentially responsible parties for which LECG prepared the forms.

In view of Bill Hengemihle's offer to make these documents available to GE, please advise whether GE still wishes EPA to provide copies. I will assume that you do want copies unless I hear otherwise.
